### Golfing Shoes for Comfort and Performance

Dawgs golf shoes for Men and Women, the **GOLF SPIRIT** combines style and function with EVA to form the **World's Lightest Golf Shoe**.

At less than 7 ounces per shoe (Men's size 9 is under 7oz; Women's size 7 is under 6oz), Dawgs Golf Spirit is designed for golfing in extreme comfort. While extremely light weight, the Golf Spirit shoe does not sacrifice weight for comfort. The built in properties of high quality EVA (a.k.a. Closed Cell Resin) **absorb shock, protecting your heels and foot.**

Golfing **performance** is enhanced by the Golf Spirit shoe's 9 strategically placed **molded rubber spikes** embedded in rubber/EVA out soles, keeping your **feet planted firmly** on the ground.

Golfers wearing the golf spirit shoe also benefit from a quick adjusting velcro strap for immediate **comfort** and **ventilation** holes for cool comfort. **The Golf Spirit Shoe** provides great comfort, style and performance at a very **affordable** price.

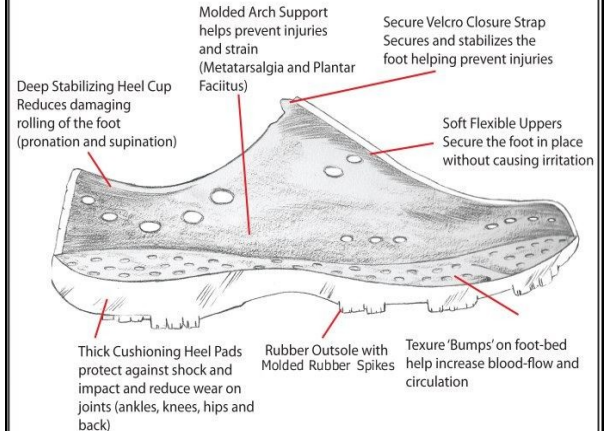

**Larger measurement should go UP to the next full shoe size.**
