

Thank You Rawlco staff for your help with each *GIVE a little life DAY*

On Friday, Feb 10th at 9:00 am Steve Suchorab, Dan Fenton and Rob Dalziel with the Victoria Hospital Foundation made their way down to Rawlco Radio's "World Headquarters" on Central Avenue. We wanted to say a BIG "**Thank You**" to the 80+ Rawlco employees who work in the broadcast studios, advertizing, administration and service support areas. While the "on air" staff is higher profile during our annual **GIVE a little life DAY** broadcast it is all the others who: take turns answering phones, logging pledges and a ton of other important things. Together we have raised in the close to **\$2,500,000.00** for medical equipment at the Victoria Regional Hospital. **GIVE a little life DAY** has made, and will continue to make, an important and strategic difference in how the hospital operates and functions. Wait Lists **are** getting shorter, the number Surgical Procedures **are** increasing. "Quicker, Safer, Better" **is** becoming the new reality at the "Vic". Hospital Staff are excited and actively participate and have become major donors too.
