

## ChrisMoose and friends arrive at the Victoria Regional Hospital – Children’s Ward

Left **Tammy Aiken**, head of the Wellness Committee and an employee at Riverbend Correctional Facility presents a ChrisMoose and other stuffed toys to **Jane Antoine**, Nursing Unit Manager of the Pediatric Unit at the Victoria Regional Hospital in Prince Albert.

Employees at the Riverbend Correctional Facility donated a large box of stuff toys to the Pediatric Unit (Children’s Ward) at the Victoria Regional Hospital. The toys arrived just in time for Christmas. Each year a number of children spend Christmas in the hospital as they are too ill to return home.
