

Mission Statement

The Victoria Hospital Foundation is dedicated to ensuring the provision of the best possible Health Care to all citizens of the Prince Albert and Northern Saskatchewan, by raising awareness and funds for the Victoria Regional Hospital.

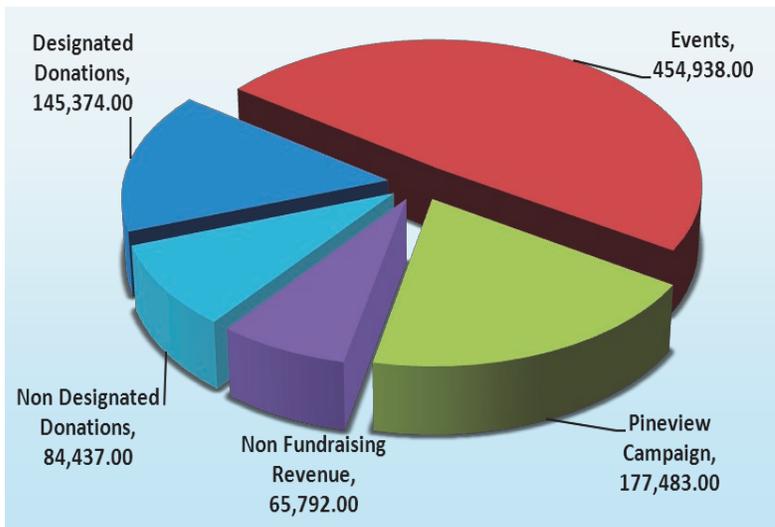

Financial Statements

At the Victoria Hospital Foundation, we are accountable to you, our donors. Our bottom line is driven by our commitment to ensure the most money possible is transferred to Victoria Hospital for life saving equipment and upgrades—today and in the future. We work hard to ensure efficient processes which translates to higher fundraising revenue. Fiscally responsible operations are a very important part of the day to day operations of the Foundation.

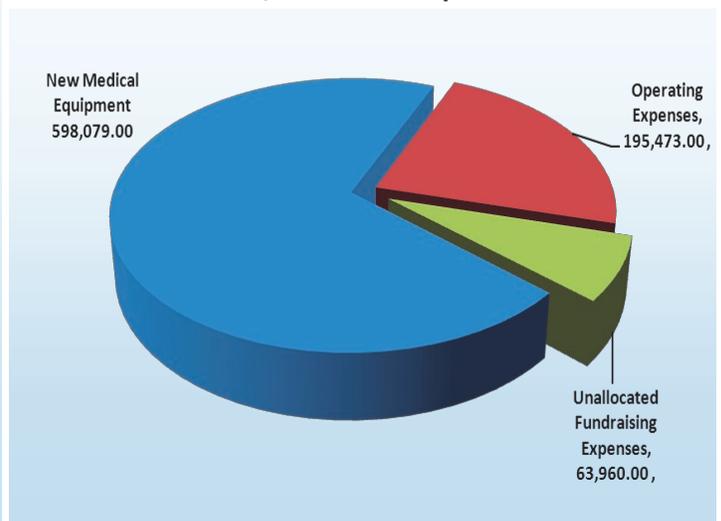

Each fiscal year, the Foundation is audited by an external firm. To request a copy of the Foundation's audited financial statements, please contact us at 306-765-6105 or via e-mail at vhfoundation@paphr.sk.ca.

2014 / 2015 FINANCIAL REPORT

2014 / 2015 Sources of Revenue

2014 / 2015 VHF Expenses

The VHF reaches a landmark year as we celebrate 30 years of supporting the Victoria Hospital. We became a registered charity in 1985 and have grown over this period with support from individuals, organizations, volunteers and businesses throughout the city of Prince Albert and surrounding communities. We operate with a staff of only 3 people. We have a volunteer Board of 13 members and a 50-strong, growing group of volunteers who give of their time and skills when help is needed. Our organization financially supports itself and operates on 20 cents per dollar. This is a remarkable figure and demonstrates our commitment to being fiscally prudent while striving each year to purchase *more* and *better* equipment for our hospital. In 30 years, our Foundation has purchased over 11 million dollars of new medical equipment for the Victoria Regional Hospital.

Postage Costs

As of March of 2014 the price of mailing a letter in Canada increased to almost \$1. For a registered charity, that's a huge amount! We're looking to cut our costs of keeping you informed and in touch with the Foundation. By providing us your email address, we can save money that would otherwise be spent on postage and put that money towards purchasing more equipment for your hospital. It also serves to reduce our footprint in the environment by saving paper and energy. If you provide us your email address we commit to you:

- We will never sell or distribute your address, it is for the sole use of the Foundation; and
- You can unsubscribe at any time.

If you'd like to help us save on our postage and paper costs, please email vhfoundation@paphr.sk.ca with the word SUBSCRIBE anywhere in the subject or body.

There are circumstances where disclosure of personal information may be justified or permitted under a legal duty or right. In such circumstances, where it is appropriate or necessary to disclose personal information, the Victoria Hospital Foundation will not disclose more information than requested.
